

# HOW TO BUY A SPORTS EMBLEM OR GREEK LETTER BRICK INSCRIPTION

*The legacy continues*

These instructions are specific for ordering a brick inscription where the donor wishes to utilize a predetermined set of sports emblems, Greek organizations or select up to 3 individual Greek letters for placement on their brick. These emblems and letters use 3 lines of the available space on an 8x8 brick, leaving up to 3 lines of 15 Roman numerals, letters (including spaces) for an inscription. A list of available sports emblems, Greek organizations, and letters are listed in this document. The assigned ordering code must be utilized in your order.

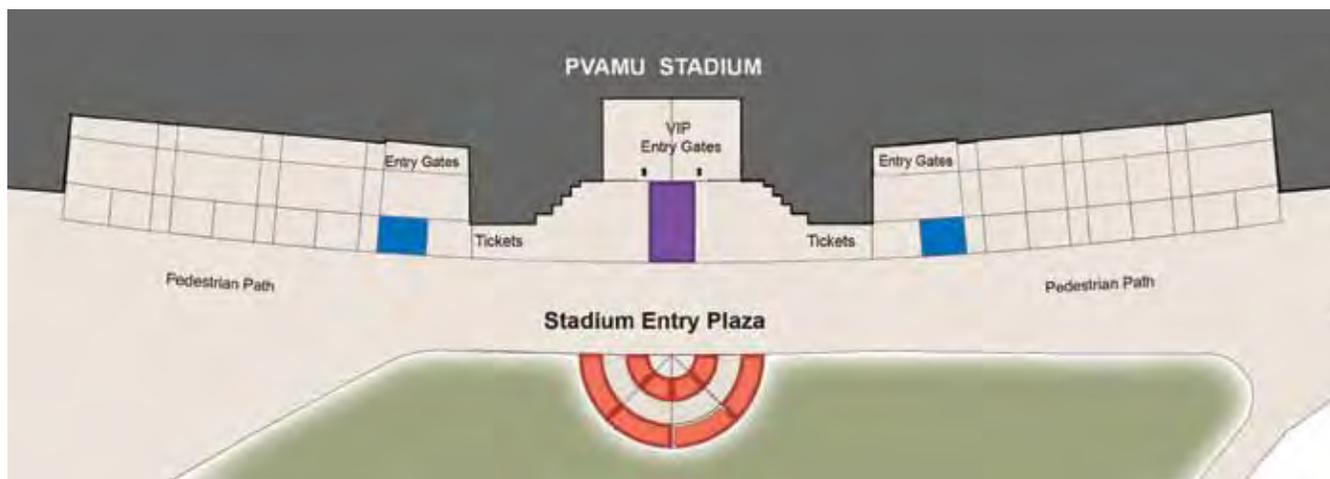

1. Review the pages of organizations, letters and sports emblems on pages 4 through 6 and select the one you are interested in. Make a note of the Order Code for your selection.
2. Complete purchaser side of the Brick/Seat Order Form.
3. Select a 8x8 brick based upon the location/pricing level you are interested in.
4. For the inscription section the following rules apply
  - a. Place the Order Code on the Organization, Greek Letter 1, 2 and 3 or Emblem line.
  - b. The maximum number of lines available for the rest of your inscription on a brick engraved with Greek letters or a sports emblem is 3.
  - c. The maximum number of characters (including spaces) per line is 15 (use of "&" must be preceded and followed by a space).
  - d. If more than 1 brick with inscriptions is being requested attach a list of additional brick selections, prices and inscriptions.
5. Attach a check for the total number of brick inscriptions being ordered.
6. Make checks payable to PVAMF.
  - a. Note on the memo line: Emblem/Greek Brick Fund.
7. Mail completed form(s) to:
 

PVAMF  
6436 Fannin Street, Room 112  
Houston, TX 77030

Bricks will be placed in the walk path within each section purchased and will be placed nearest the gate, within that section, based upon the date the bricks were ordered.

Every effort will be made to place bricks as described above, but is not guaranteed. The final size and location of bricks may be altered by architecture and construction needs.
