

Monique Jordan is the Donor Relations Coordinator for Prairie View A&M Foundation. She began with the Foundation in August of 2019 and brings 16 years of non-profit experience with her.

Jordan is responsible for processing incoming gifts and ensures that gifts are recorded to honor the donor's intent. Additionally, Jordan often serves as the first point of contact for the Foundation and assists with event logistics and supporting the team throughout all development and fundraising efforts.

Before coming to PVAMF, Jordan was the Assistant Director of Prospect Research for Baylor College of Medicine Office of Institutional Advancement. During her tenure there, she was responsible for donor research, building relationships and managing data with professionalism and integrity.

Additionally, Jordan served as the Research and Database Analyst for CHRISTUS Foundation for Healthcare as well as Greater Houston Chapter of American Red Cross. Only a phone call away, Monique is available to assist in navigating your journey as a donor and is passionate about helping the students of Prairie View A & M University.

Aside from non-profit work Jordan is also a practicing visual artist in Houston, Texas.
