

Terrence Gee – Board Member

Terrence Gee is a seasoned technology and organizational strategist with over three decades of experience helping teams, executives, and entrepreneurs grow great businesses. He is highly regarded for his ability to lead complex transformation programs from concept to execution.

Terrence currently serves as Senior Vice President of Technology and Enterprise Transformation at Coca-Cola Beverages Florida. In this role, Terrence is responsible for delivering all technology, digital, and analytics services as well as overseeing all major projects and change initiatives across the organization.

Terrence was formerly a Partner at Accenture, the global management and technology consulting firm. Over the course of a 22-year career there, he worked primarily with global energy companies on complex technology, supply chain, customer experience, and business services solutions.

Terrence currently serves on the Board of Trustees of Rice University. He also serves on the Board of Directors of CONA Services LLC, Gray Matter Analytics, and Child Advocates, Inc. Terrence is a 1986 graduate of Rice University with a BA in Economics.

Terrence and his wife Terri are the proud parents of one daughter, Madelyn, and twin boys, Matthew and Cole.
